Dear Friends,

The Annual Hawley Harvest Hoedown is set for Saturday, October 5, 2019 in

downtown Hawley from 10 am to 4pm, and you're invited to be part of the old-fashioned fun!

Traditionally the day is filled with children's games, pumpkin decorating and a pumpkin patch, hayrides, musical entertainment, arts & crafts, fall treats, a petting zoo for the kids, and more. And don't forget about our fantastic evening folk & bluegrass concert at the Ritz Theatre!

We are in need of sponsors for this beloved family event to help us continue to make the day a successful one.

We are asking your consideration in supporting the 2019 Hoedown by mailing this form back as soon as possible.

Sponsorships received by no later than September 6th will be included on event posters, flyers, and other publicity. Your support will enable us to preserve this great "small-town" event in a big way again this year.

Also - please help make the Harvest Hoedown experience last throughout the fall again this year by decorating your business in an appropriate manner – scarecrows, corn stalks, and brilliant fall mums abound!
